

Welcome to the 2023-2024 school year at Christopher Columbus Charter School!

Our Board, Administration, and Staff are looking forward to servicing and growing with our students and families throughout the academic year ahead. Each August provides a new and exciting beginning for our students and staff. We encourage our families to reach out to our teachers to begin a lasting, professional relationship that will benefit your children for years to come. We have professional, supportive, and expert staff members at CCCS that look forward to working with our students and families each day.

Here at CCCS, our academic program is rigorous, relevant and has truly been designed to prepare our children for success in their future educational careers and beyond! Also, our Positive Behavior Support Program compliments the academic program through socially appropriate expectations. Through the implementation of PBS, these expectations will continue to help prepare our students to be successful and productive members of our society through the celebration of positive behavior and various character traits. Please enjoy each day of this academic year with your child. As always, our superb staff is ready to lend support to ensure your child's growth throughout the school year at CCCS.

We wish everyone an enjoyable and productive school year, and please reach out to the administrative team if any questions or concerns arise.

Best regards,

Mr. Nathan Blodgett
